### **Calling all those who have an empty boat-lift or are lift challenged**

There are a growing number of established members who, for various reasons, no longer own a boat and have a vacant lift. Conversely there are a growing number of new members with a boat and no place to hang it. The Squadron is going to set up a "lift exchange" to connect the needy with the blessed. So, if you have an empty lift and would like to generate some rental income or you are interested in renting a lift. Contact, Jon Hale: 630-805-1516 or e-mail: [joninthecape@gmail.com](mailto:joninthecape@gmail.com)  
Note: The Squadron merely provides the contact, financial arrangements should be developed by the two parties.

## **Time to update the 2014 CCSAPS Directory**

2014 is approaching rapidly. It's time to update your information in the 2014 directory. If you have moved, changed your phone number, got a new boat, or have anything to change in the directory, please email me at [detlef69@hotmail.com](mailto:detlef69@hotmail.com).

All changes must be in by 10 February 2014.  
Thank you,

**Lt. Detlef Rohleder, P**  
Membership Chair, CCSAPS
