Calling all those who have an empty boat-lift or are lift challenged

There are a growing number of established members who, for various reasons, no longer own a boat and have a vacant lift. Conversely there are a growing number of new members with a boat and no place to hang it. The Squadron is going to set up a "lift exchange" to connect the needy with the blessed. So, if you have an empty lift and would like to generate some rental income or you are interested in renting a lift. Contact, Jon Hale: 630-805-1516 or e-mail: joninthecape@gmail.com
Note: The Squadron merely provides the contact, financial arrangements should be developed by the two parties.

Time to update the 2014 CCSAPS Directory

2014 is approaching rapidly. It's time to update your information in the 2014 directory. If you have moved, changed your phone number, got a new boat, or have anything to change in the directory, please email me at detlef69@hotmail.com.

All changes must be in by 10 February 2014.
Thank you,

Lt. Detlef Rohleder, P
Membership Chair, CCSAPS
